

Republic of the Philippines
 PROVINCE OF SORSOGON
 MUNICIPALITY OF GUBAT

OFFICE OF THE MUNICIPAL MAYOR

EXECUTIVE ORDER NO. 2018-06

REORGANIZATION OF THE LOCAL DRINKING WATER QUALITY MONITORING COMMITTEE OF GUBAT AND CREATION OF ITS TECHNICAL WORKING GROUP

WHEREAS, it is the responsibility of the local government unit to ensure the quality and safety of all water sources which should be monitored and analyze regularly for public health and general welfare;

WHEREAS, Presidential Decree 856 or the Code on Sanitation of the Philippines mandates the Department of Health to promulgate rules and regulations for the proper implementation and enforcement of the code, including provisions on drinking-water supply;

WHEREAS, standards for drinking water and their bacteriological and chemical examinations, together with the evaluation of results shall conform to the criteria set by the National Drinking Water Standards;

WHEREAS, the treatment of water to render it safe for drinking and the disinfection of the contaminated water sources together with their distribution systems shall be in accordance with procedures set by the DOH;

WHEREAS, the DOH, in accordance with its mandate of being primarily responsible for the formulation, planning, implementation, and coordination of policies and programs in the field of health, strongly supports the application of a risk management approach known as Water Safety Planning (WSP) by all water service providers as stated in AO No. 2014-0027;

WHEREAS, to oversee the operation of the water systems and the quality of water produced and distributed by them, the Local Health Authority is mandated to establish a water surveillance program through the Local Drinking Water Quality Monitoring Committee (LDWQMC).
